

**FIVE COUNTIES CHILDREN'S CENTRE
SCOPE OF SERVICES**

Five Counties Children's Centre is dedicated to supporting children and youth with physical, developmental and communication needs and their families. In partnership with families and communities we strive to enrich their independence and quality of life.

Our Rehabilitation Team includes health care professionals and support staff. We work closely with the child / youth and family to provide assessment and treatment to meet their individualized goals of the families. We offer Outpatient and Community Based Services.

	<u>Outpatient Services</u>	
Program	Early Intervention Program	School Aged Program
Population Served	Children aged 0 – 6 are eligible for this program	Children aged 6 (Grade 1) – 19 (graduation) are eligible for this program.
Settings	Outpatient services are provided at the Centre either with one to one or group treatment.	
Days/Hours of Service	The Centre is open Mondays – Fridays from 8:30 a.m. – 4:30 p.m. Some groups or other services may be offered in the evenings and weekends based on the individual needs of the child/ youth and the availability of the employees.	
Frequency of Services	Frequency of services is determined following the assessment, in consultation with parents, and documented in the care plan.	
Payer Sources	These services are funded through the Ministry of Children and Youth Services, the Five Counties Children's Centre Foundation and the Ministry of Health and Long Term Care (Hospital for Sick Children).	
Fees	The Centre's Services are funded by the government, and the foundation, at no cost to the family. There may be fees for some educational workshops and recreation programs. While government programs provide some financial support for equipment for the child, there may additional costs for the family for which the Centre would provide support in seeking assistance.	
Referral Sources	Families and other professionals (with parent consent) can refer directly for all service, with the exception of the Medical Director for which physician referral is required.
