

VISION

Building Abilities for Life

MISSION STATEMENT

Five Counties Children's Centre is dedicated working with families and community partners to provide innovative evidence-based care for children and youth with physical, developmental and communication need; building their independence and enriching their quality of life.

VALUES

We Value:

Our Families

We respect the uniqueness of our clients and families. We believe people know themselves and their situations best. We believe in the strength of families.

Our Staff

We believe that our staff are our most valuable resource and have the right to work in a respectful, supportive and encouraging work environment.

Our Communities

We believe in the importance of our communities and their role as key partners in enhancing the lives of our clients and their families.

Our Services

We believe in excellence. Our clients deserve the highest standard of practice supported by current knowledge and evidence.

We believe that by working together and being accountable, we can make a difference.
