

Reflective Questions Supporting Educator Interaction Goals

Listed below are a few questions that might support collaborative conversations regarding the Educator Interaction Tool:

- Tell me what you learned about yourself when completing the tool? *Encourage focus on both areas the educator feels they are strong in, and areas they want to learn more about.*
- Were there any areas on the tool where you were uncertain about your practice? What makes you curious about this area of practice?
- What do you already know about this area of practice?
- What more do you want to research?
- I'm curious about _____, can you give examples of when you have demonstrated this in practice?
- What would happen if?
- Help me to understand.....
- What would the necessary steps be to achieve this goal? What resources will you need?
- What can I do to support you in reaching your goal?
- How will you know when you have reached your goal?
