Help say thank you
& you could win!

What better way to thank our donors, partners and volunteers than letting our kids say "thank you" themselves through their artwork.

Thank You Card Contest Rules

For this contest we want to see how you say, "thank you". Can you write the words thank you? Could you draw a picture of how you feel when you are grateful? Can you draw a situation where you are thanking someone?

At Five Counties Children's Centre we have a lot to be thankful for. We get to work with amazing and inspiring kids and families who are working hard to be their best. We are grateful for our volunteers, donors and sponsors who keep our doors open. And we appreciate all of the local business and service clubs who make donations to support our kids. Which is why we are looking for handmade thank you cards from the kids in our communities.
