

C.A.R.E. Session #3-Reconciliation-January 2023

JEDI Reflection Questions

Some Suggestions:

1. What was new information for you from this session? How has this changed your worldview?
2. Based on this Reconciliation session what did you unlearn?
3. What emotions did you notice you were experiencing as you went through this session? What did this make you more curious about?
4. How have non-Indigenous people benefited from the historical and current denial of Indigenous nationhood in Canada? In other words, how is the standard of living that most non-Indigenous people in Canada enjoy connected to the ongoing discrimination and inequity experienced by Indigenous peoples?
5. How might our program adopt the principles of the United Nations Rights of Indigenous Peoples? [HRBAP UN Rights Indig Peoples.pdf \(unicef.org\)](#)
6. How has the relationships between Canada and Indigenous people changed? What are the barriers to a good relationship?
7. How do the articles in the above link (UN Rights of Indigenous Peoples) relate to growing belonging, engagement, expression, and well-being in the Indigenous community?
